Important Press Release

The job aspirants are hereby cautioned against the activities of some unscrupulous elements who are deceiving the gullible candidates using various deceptive means. It has been reported by some candidates that these unscrupulous elements including some of the aspirants themselves are deceitfully flaunting their proximity with the Board authorities or being in touch with them and are dishing out misleading information regarding recruitments and policy matters of the Board, telephonically and through Social Media. In some cases, which have come to the notice of the Board, even fake contact details of the Board authorities have been created by these unscrupulous elements in their cell phones and are creating spoofing conversations to give an impression to the gullible candidates that they are regularly in touch with the Board authorities and even screenshot of such a fake conversation had been generated yesterday and posted in social media.

The prospective candidates/job aspirants are cautioned not to fall prey to the designs of such unscrupulous elements who are trying to dupe the unsuspecting aspirants/candidates with misinformation, rumours or any false promise of securing them job either through influence or by use of unfair or unethical means. The Board has collected some cell phone numbers and handed over the same to the law enforcing agencies for further investigation to ascertain if these are being used by impersonators.

There is a transparent and institutionalized mechanism in place in JKSSB for making recruitments, purely on the basis of merit, and information/notices regarding the same are posted on the Board website from time-to-time. The candidates should immediately get in touch with the Board offices if any such unscrupulous person approaches them in any matter pertaining to the Board. The Board tries its best to attend selection matters in a meticulous manner so that the selections do not run into litigations, which not only hamper the working of JKSSB but also adversely affect the interests of prospective candidates.
